ADVENT TAPERS FOR THE HOME

Advent taper candles are a beautiful way to bring the Advent tradition into the home. With deep roots in early Christian traditions, the lighting of the Advent candles symbolizes the joyous preparation for the Lord's Nativity. One candle is lit each week, serving as beautiful reminders of hope, peace, joy, and love. The candles are arranged around a circular wreath, without beginning or end, representing God's infinite love for us.

OUR HISTORY

As a fifth-generation family-owned and operated business, Cathedral Candle Company follows the exacting standards of craftsmanship and quality established by our founder Jacob Steigerwald in 1897. Still operating out of our original Syracuse, New York factory, we proudly work with our network of knowledgeable dealers to serve churches around the world through the master craft and art of candle making.

You might notice that we selectively color only the outside of our Advent candles. This is because we hand-dip each one of our candles in a fine layer of premium pigments – a process known as over-dipping. Unlike the additives in dyed wax that can fade over time, our over-dipped pigments retain their vibrant colors and yield brighter, even-burning flames throughout the Advent season. We think the extra effort makes for exceptional results.
